How long have you been affiliated with your current team?
With what other teams have you been affiliated?

I've been with this team for 6 years. I've also led a gang of crazy Japanese ninjas to the top of the Tokyo underworld.

What is your primary contribution to this team?

I bring class to this joint... without my cool sophistication, this operation would fall apart. Also, I'm a riding enthusiast and an expert fencer.

What kind of security work do you enjoy in particular? (i.e. logical assessments, environmental surveillance, linguistic analysis, etc.)

Deciphering logical conundrums holds a certain appeal for me, as I spent many years of my life as a successful attorney.

Describe any and all previous and/or current illegal activity (real or imagined). (This is for background purposes only and will not be surrendered to authorities, except under subpoena.)

The aforementioned Tokyo crime boss thing... I suppose that would qualify as illegal. I also killed my husband, who was cheating on me, but I think the Windy City public will forgive me fairly easily.

If you could divert funds into any charity, what charity would it be? Why?

Is there a charity for people who paid money to watch what is arguably the worst movie of all time? If so... that one. I feel bad.

I was a peripheral conspirator in ~~the~~ covering up a stripper's murder, and... let's see, I murdered a couple people w/ some friends as kind of like a weekly get-together thing, but that's pretty much it.

If you could divert funds into any charity, what charity would it be? Why?

~~If~~ I've had a pet chimpanzee and a dog before, so I'd have to go w/ the ASPCA.
