How long have you been affiliated with your current team?  
With what other teams have you been affiliated?

 *Been with current team for 6 years*

What is your primary contribution to this team?

 *I'm the master of disguise... I can slip through security virtually unnoticed.*

What kind of security work do you enjoy in particular? (i.e. logical assessments, environmental surveillance, linguistic analysis, etc.)

 *I was an investigative journalist in Chicago for a very short-lived news show (only 12 episodes), but I figured out enough on the job to get pretty good at digging into research.*

Describe any and all previous and/or current illegal activity (real or imagined). (This is for background purposes only and will not be surrendered to authorities, except under subpoena.)

Besides the multiple illegal acts that the leader of my current ~~team~~ team has me do on an almost daily basis, I was an international con artist, thief, seductress for a while.

If you could divert funds into any charity, what charity would it be? Why?

Definitely NOT anything to do with cloning... I had a really bad experience with that once.

How long have you been affiliated with your current team?  
With what other teams have you been affiliated?

Been with current team for 6 years.  
Other teams too numerous to mention... there was a fellowship I was in at some point... a proud member of the Nazi Party (TWICE)

What is your primary contribution to this team?

I'm the unquestioned leader of this team, owing to my combination of astonishing intellect and magnetic charisma.

What kind of security work do you enjoy in particular? (i.e. logical assessments, environmental surveillance, linguistic analysis, etc.)

I'm pretty good at chess-themed security work. I like it best when the pieces aren't made of cheap plastic.

Describe any and all previous and/or current illegal activity (real or imagined). (This is for background purposes only and will not be surrendered to authorities, except under subpoena.)

Oh man. Where to start. As I mentioned before, I was a member of the Nazi Party twice, so I tried to rid the world of all humans except for those of the master race. Then, I was like, why stop there? So I tried a couple times to rid the world of all humans, period.

If you could divert funds into any charity, what charity would it be? Why?

Probably the Little People of America, Inc. I have a lot of friends that could use the help.
