How long have you been affiliated with your current team?
With what other teams have you been affiliated?

Been with current team for 6 years.
I've enlisted in the US Armed Forces at least 3 times.

What is your primary contribution to this team?

I'm the mastermind and leader of the team.

What kind of security work do you enjoy in particular? (i.e. logical assessments, environmental surveillance, linguistic analysis, etc.)

I had a long medical career in pediatrics, so tricky diagnostic problems are second nature to me.

Describe any and all previous and/or current illegal activity (real or imagined). (This is for background purposes only and will not be surrendered to authorities, except under subpoena.)

What stands out is the fact that I'm a total kleptomaniac. I've tried robbing casinos, banks, you name it, I've broken in.

If you could divert funds into any charity, what charity would it be? Why?

I'm going to go with The Bat Conversion Trust.

Let's see. I've been involved in the robbery of several facilities. Also, I am Death incarnate, Is that illegal? I just feel like I'm doing my job.

If you could divert funds into any charity, what charity would it be? Why?

Definitely PETA. I actually led my own little group and we went around freeing animals from zoos and research facilities. That was in the future, though, so I don't really expect you guys to have heard of it. Also, whatever my wife feels like supporting this month sounds good to me too.
