How long have you been affiliated with your current team?
With what other teams have you been affiliated?

Been with current team for 5 years.
Was pilot on the Tiger Claw.

What is your primary contribution to this team?

I'm the leader of the group and clearly the smartest member.

What kind of security work do you enjoy in particular? (i.e. logical assessments, environmental surveillance, linguistic analysis, etc.)

I'm an expert in Rube-goldberg-esque security devices.

Describe any and all previous and/or current illegal activity (real or imagined). (This is for background purposes only and will not be surrendered to authorities, except under subpoena.)

I, along with my teammate, ran a hitchhiker off the road, tried to cover it up, and really regretted it. Only I had to deal with it TWICE! =C

If you could divert funds into any charity, what charity would it be? Why?

There should be a charity for men like me who find beautiful women, fall in love, then lose them, only to recapture their heart again after some hilariously predictable hijinks. That's happened to me more times than I can remember.

How long have you been affiliated with your current team?

With what other teams have you been affiliated?

been w/ current team for 5 years, but the team has existed since 1982, albeit in a very different form.
 i was in an (ironically nicknamed) gang that battled supernatural enemies (for real, not like with this team)

What is your primary contribution to this team?

not, rich, fashionable blonde

What kind of security work do you enjoy in particular? (i.e. logical assessments, environmental surveillance, linguistic analysis, etc.)

i was a successful traveling sales representative until the ghosts started attacking me. so i guess i have a pretty good head for tracking financial records.

Describe any and all previous and/or current illegal activity (real or imagined). (This is for background purposes only and will not be surrendered to authorities, except under subpoena.)

I accidentally ran a hitchhiker off the road and tried to cover it up.
That turned out to be a huge mistake, man.

If you could divert funds into any charity, what charity would it be? Why?

Probably the ghostbusters. I have had so much goddamn trouble with ghosts,
you have no idea.

How long have you been affiliated with your current team?
With what other teams have you been affiliated?

Been with current team for 5 years.
Was, like, a fighter pilot on the Tiger Claw, like my teammate

What is your primary contribution to this team?

Actually I don't really know, I usually just end up running away, man!

What kind of security work do you enjoy in particular? (i.e. logical assessments, environmental surveillance, linguistic analysis, etc.)

I enjoy food-based security work. You have no idea how often I get the munchies, man.

Describe any and all previous and/or current illegal activity (real or imagined). (This is for background purposes only and will not be surrendered to authorities, except under subpoena.)

They're always trying to get me for, like, smoking the wacky weed, but so far nobody's been able to pin anything on me yet!

If you could divert funds into any charity, what charity would it be? Why?

Like no way man! I'd just keep everything for myself!
