

BRENT HOLMAN

Aliases: Shaggy, Whiskey
Birthplace: Illinois
Hair/Eyes: Elusive/Green

A Consortium case has gone cold and lost the trail of the person pictured on the left. The only information that the Consortium has to go on has been reproduced in its entirety below.

Line Noise

We've been intercepting a number of transmissions that look like complete line noise, but we think that there may be some pattern to them. We can divide up the transmissions where there are slight pauses, but we don't know where to go from here. We think there are four things encoded on each of the following lines, but we don't know how to break them down further, or what do do after that.
